# *Flexi* **FLEXI RAMP**

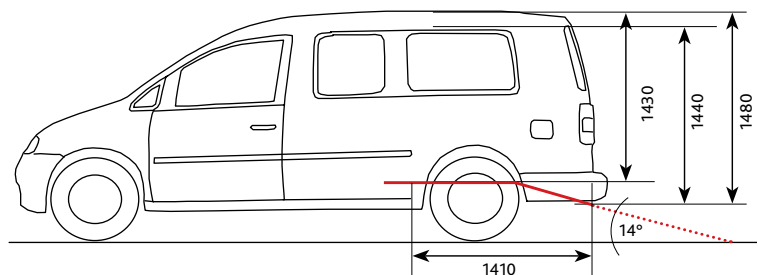

**A UNIQUE ENTRANCE RAMP SOLUTION**

Wheelchair accessible Volkswagen Caddy Maxi API with flexi ramp sets new level for comfortable transport of a wheelchair person.

The vehicle is equipped with new foldable ramp allowing user to have available full size luggage compartment without any obstructions or easily unfold the ramp and create space for the wheelchair. There is wheelchair restraint system fitted inside of the car for secure transport of the disabled person.

## Volkswagen Caddy Maxi **API**
